2010 Application Form

OCTOBER 1 - 3

Coolah Sporting & Campdraft Grounds

Coolah NSW ~ 'Home of The Black Stump'

What is the camp about?

The three-day program aims to support and encourage young people as they further their interest in beef cattle and in the beef industry.

2010 is the inaugural year for the Future Beef Breeders' Youth Camp. The Camp Committee consists of volunteers, many of whom are past participants and organisers of Beef Cattle Youth Events.

Over the three days of the camp, participants will cover topics such as breeding, nutrition, led and un-led handling, showmanship, sale preparation, animal selection and meat and markets. All cattle will be supplied.

Participants must be aged between 7 and 21 years of age. Youth from all backgrounds are encouraged to apply. A special afternoon of fun will be held for younger siblings aged 2-6 who don't wish to miss out on all the fun!
