

Exciting news from
Ashwood Devons

What a year!!

*Fire, flood, mice plague and pestilence too,
... BUT we sold all our 2021 bulls before the season started.*

The cattle industry is back, and ASHWOOD DEVONS has made its mark. Our previous sales have showcased our bulls and buyers have liked what they saw.

All is not lost tho, as we have a great supply of bulls, poll and horn, available in 2022. We will certainly send out a catalogue to you when the time comes.

As we have done in previous years we are introducing new sires with each fresh calf crop including two amazing poll Ashwood Bulls, ASHWOOD NEVERFAIL and ASHWOOD PLUTO, as well as calves by Barnstaple Marriott and

Barnstaple Lexington. We have calves on the ground from these new sires.

Bull sales for 2022 are a way off, but we invite you to visit to see next year's stars.
