You are welcome to view a selection of **4 registered and recorded poll bulls** available for sale this year. We have had good enquiry this year already selling 4 stud bulls.

Our bulls have been running on the same pasture conditions since weaning. Supplementary feeding begun early July. These bulls are ready to work. They were vaccinated with 7 in 1 early May 2026.

Please contact us by phone or email if you would like to inspect any of the bulls on offer.

Gundooee has been producing Poll Devons since 1956 and are now in a variety of situations and buyers have been impressed with their progeny. We are certain that any Gundooee bull purchased will offer the buyer the same success in their breeding operation.
